ANSWERED ON:04.05.2007
NATIONAL LAND RESOURCES MANAGEMENT PROGRAMME
Dhanaraju Dr. K.

Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the salient features of the National Land Resources Management Programme (NLRMP) being run in the country;

(b) the name of States where the said programme has been implemented during 2005-06, 2006-07 and being implemented during the current year indicating the benefits achieved therefrom; and

(c) the allocation made and utilized during the said period, State-wise and year-wise?

Answer

MINISTER OF THE STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI CHANDRA SEKHAR SAHU)

(a) to (c) The National Land Resource Management Programme (NLRMP) has been conceptualized as a major system and reform initiative that is concerned not merely with computerization, updating and maintenance of land records and validation of titles, but also as a program that will add value and provide a comprehensive tool for development planning wherever location-specific information is required. The primary focus of the Programme will be on citizen services, such as providing records of rights (RoRs) with maps to scale; other land- based certificates such as caste certificates, income certificates (particularly in rural areas), domicile certificates; information for eligibility for development programmes; land passbooks, etc. In addition, the Programme will be of immense usefulness to the governments - both Central and State Governments - in modernizing and bringing efficiency to the land revenue administration as well as offering a comprehensive tool for planning various land-based developmental activities. However, NLRMP is yet to be finalized.
